November 20, 2025

Dear Valued Patient,

I am writing to share some important news regarding the future of my practice and the care I provide. After many years as the owner and director of Low Vision Services PLC, I am transitioning into a new role as Clinical Director for the Prevention of Blindness Society of Metropolitan Washington Vision Rehabilitation Program “Seeing Hope.” This organization has long supported my practice by providing the office spaces in Alexandria and Washington D.C. and is dedicated to offering a broader range of services and more comprehensive care for individuals with vision needs.

While the structure of my practice is changing, please be assured that the quality of care you receive from me will remain uncompromised. My hope is that this transition will allow me to collaborate with a larger team of professionals and provide you with expanded resources and support.

To ensure continuity of your care, I kindly request that you sign a medical records release form authorizing the transfer of your records

from Low Vision Services to the Prevention of Blindness Society. This will allow me and the new organization to maintain your complete medical history and continue providing seamless, personalized care.

Enclosed with this letter, you will find the release form. Please complete and return it at your earliest convenience. If you have any questions or concerns about this transition, feel free to contact the office, we are here to support you through this process.

Your completed form can be returned by fax to 703-687-1744, by email to lowvisionservices@myupdox.com or by standard mail to any one of the addresses above. If you prefer not to transfer your records then please use the form to receive a copy of your records or have them transferred to another provider of your choice.

Your appointment time, the location of your appointment, and the clinical care you receive will remain exactly the same.

Patients with appointments at Colonial Opticians in Bethesda should be aware that the location is permanently closed due to a fire. The Bethesda office will eventually be relocating to Rockville. In the meantime Bethesda appointments will be rescheduled to D.C or Alexandria.

Starting December 1 2025, the new phone number for appointments will be 202-234-1010 and the new office fax number will be 202-234-1020.

I am deeply grateful for the trust you have placed in me over the years, and I look forward to continuing to serve you in this new capacity.

Sincerely,

A handwritten signature in black ink that reads "Suleiman Alibhai, O.D." The signature is written in a cursive, flowing style.

Suleiman Alibhai, O.D
